Love Dear Jerry,
Always, These are the years among friends that
are the happiest, as I am sure you will always
remember and cherish.
But always remember, only you can make
those years successful ones. It is with much
warmth that I wish you the very best now at
this point in time of your life, and for the future.
At this very moment, I can see myself overwhelmed
with pride and joy two years from now when
I can attend all my sons and daughters graduation.
Enjoy your summer, and make it a safe one.

Msgr. Scanlan High School

STATEMENT OF PHILOSOPHY

The philosophy of Monsignor Scanlan High School embraces the moral and intellectual development of the student as a human person, made to the image and likeness of God redeemed by Christ, and destined to be one with God. This is expressed in all areas of education: spiritual, ethical, cultural, physical and vocational. Its goal is to develop a truly free, responsible and integrated person, whose mission, through knowledge and discernment, is to use his talents, faculties and virtues in making the world a better place for his fellow man, thus achieving his/her own self-fulfillment and destiny.

So
